**AMENDMENT NUMBER 3 TO MEMORANDUM OF AGREEMENT  
BETWEEN  
THE ARKANSAS SOIL AND WATER CONSERVATION COMMISSION  
AND  
THE MUNICIPALITY OF CITY OF FAYETTEVILLE, ARKANSAS**

The original dates set forth in this agreement were predicted using a preliminary planning and design schedule. Because more time and effort was required to move these treatment projects forward than was originally anticipated coupled with additional time needed to address outstanding permitting issues, it has been determined that the previous projections were overly optimistic.

BY THE MUTUAL AGREEMENT OF THE ARKANSAS SOIL AND WATER CONSERVATION COMMISSION AND THE MUNICIPALITY OF CITY OF FAYETTEVILLE, the Memorandum of Agreement dated December 11, 2001, under Section 3, Part III is hereby amended as follows:

SUBMITTAL SCHEDULE

RECEIPT  
DATE BY ASWCC

G. Final P&S, Project Performance Workplan and the Final Application (including the Agreement for Construction Phase Engineering Services)

May 15, 2005

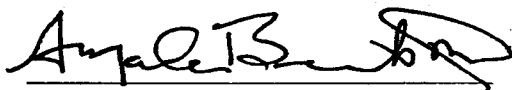

Target date for application certification is June 30, 2005.

\* NOTE: At this time, review public participation requirements:

1. Schedule public meeting to discuss alternatives (30-day notice).
2. After public meeting, schedule public hearing to discuss selected alternative and receive general comments from the public (45-day notice). Mail EID and send notices to State and Federal agencies.
3. Hold public meeting and public hearing at scheduled times.
